

My Listing Manager Accounts

My Listing Manager is a FREE and easy to use account that gives you the ability to save and manage multiple properties displayed on www.coastalrealestateconsultants.com. Think of this as your own private manager that allows you to search, track and save properties listed in your area, all in a private, password protected account.

In addition to all the organizational tools available, you can customize special email alerts so that you receive the latest listings that match your needs, in your inbox, as soon as they are added.

- Save unlimited properties to compare or show others
- Sign up for free customized email updates, only receive the information you want
- Protect your account with unique username and password

Signing Up

If you already have an assigned agent, select him/her here:

Email Format: HTML Plain-text

Password:

Enter as much information as you can and click **Sign Up!** Your agent will send you an email to verify your email address. You'll need to open that email and follow its instructions in the next seven days. Then you're ready to start saving searches and properties.

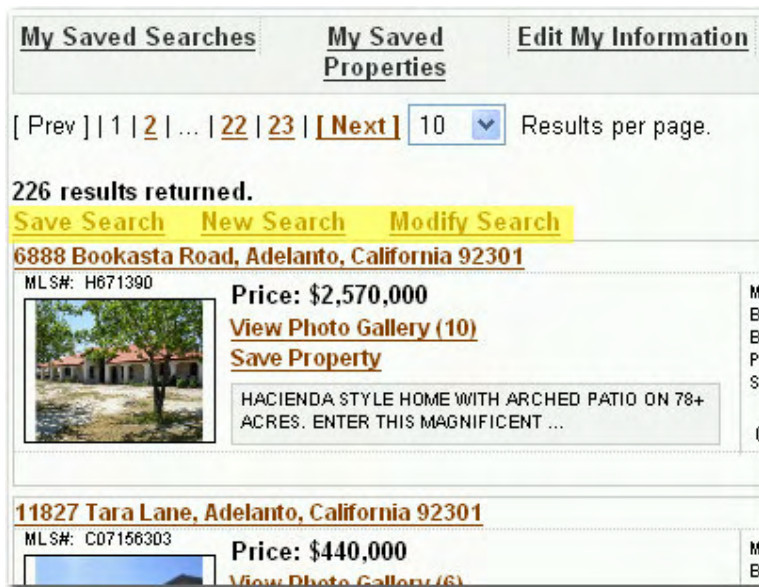

Save Searches and get Email Updates

Once you open your verification email and click the link provided, you'll be taken to your My Property Manager account.

If you haven't already saved a search, click the **Perform a Search Now** link. You'll be taken to our standard search form. Enter your search criteria and click the **Search** button.

Above the list of search results you will see three links: **Save Search**, **New Search** and **Modify Search**.

Click the **Save Search** link. The page will let you know that your search has been successfully saved, while leaving you at the search results so you can look at properties.

Click the **My Saved Searches** link to see your searches and set up email updates.
